Ms. Linda D. Haenel
Sales Manager
Corry Manufacturing Co.
519 West Main Street
Corry, PA 16407

Dear Ms. Haenel:

FEDERAL AVIATION ADMINISTRATION - PARTS MANUFACTURER APPROVAL

In accordance with the provisions of Federal Aviation Regulation (FAR) 21, Subpart K, we have found that the design data, submitted by Corry Manufacturing Co. by letter on June 21, 1993 meets the airworthiness requirements of the FARs applicable to the products on which the parts are to be installed. Additionally, it has been determined that Corry Manufacturing Co. has established the fabrication inspection system required by FAR 21.303(h) at 519 West Main Street, Corry, Pennsylvania. Accordingly, Parts Manufacturer Approval (PMA) is hereby granted for production of the replacement parts listed in the enclosed Supplement Number 12 in conformity with the Federal Aviation Administration (FAA) approved design data.

You are reminded that provisions of the FARs noted in our PMA letter of March 2, 1990, Supplement No. 1, also apply to the enclosed PMA listing - Supplement Number 12.

Sincerely,

Jerry F. Trammell
Aviation Safety Inspector (Mfg.)

Enclosure: Supplement #12
