FEDERAL AVIATION ADMINISTRATION - PARTS MANUFACTURER APPROVAL

Per 14 CFR part 21 subpart K, we found design data, submitted with your letter dated May 6, 2005 to meet the airworthiness requirements of the regulations for the products on which the parts are to be installed. We based our findings on Test & Computations. Also, we determined that your company set up the fabrication inspection system at 6747 Odessa Ave. Suite 200, Van Nuys, CA as required by 14 CFR § 21.303(h). Therefore, we grant parts manufacturing approval (PMA), which authorizes you to produce the replacement parts in enclosed Supplement No. 16.

We remind you that the provisions of the 14 CFR, noted in our PMA letter of approval dated June 5, 1998, also apply to the enclosed PMA Listing-Supplement No. 16. Please keep the enclosed supplement with the original PMA letter as evidence of approval to produce the parts concerned.

Sincerely,

Wyman G. Shell, Manager
